ABHISHEK

WORK EXPERIENCE

Software Engineer
Telus International

02/2019 – Present

Achievements/Tasks

Noida, India

- Work closely with Data Scientist team to satisfy all data requirements.
- Build pipelines in python in Prefect, Dagster, Airflow and spark.
- Work in Data Lake projects using Python, Spark, Hive with HDFS, RDBMS (Oracle, Postgres) and NoSQL (Cassendra, MongoDb) databases.
- Implement DWH SCD Type 1 and Type 2 mappings in tools like Informatica and Knime for Data science.
- Completed 3 POC's as GCP (Data Flow) , Knime and Python Automation Framework.

Technical Engineer
HCL Technologies

02/2018 – 02/2019

Noida, India

Achievements/Tasks

- Create anonymous blocks, views, procedures, functions and triggers in PL/SQL.
- Good hands on experience on creating SQL queries using analytical functions.
- Constructing and optimizing complex SQL queries to support reporting layer requirement.
- Create bash shell scripts to automate L1/L2 Tasks.

Intern
CETPA INFOTECH PVT LTD.

06/2017 – 07/2017

Achievements/Tasks

- Complete Database designing/handling for Android application GoTracko.
- Write SQL queries, Procedures, function, triggers , joins and sub queries.
- Responsible to develop and enhance the code/script

SKILLS

Python   Data Engineering   SQL   Informatica

GCP   ETL   Spark   Hadoop   YAML   Knime

Docker/Kubernetes   Github/Gitlab   DWH

Dataflow   PLSQL   NoSQL   Bash Script   Jira

Jenskin

PRESENT WORK PROJECT

VP KPI Dashboard (04/2020 – Present)
- Working as Data engineer to build pipelines using Python for data ingestion from all type of sources/KPI metrics(GCP, Data Lake, Dynaster, Google API's, RDBMS/NoSQL databases) and transform to convert meaningful information to present in final layer in Tableau.

ACHIEVEMENTS

Started a company with the name "Onsite Service" during college time to prepare or modify computer labs for online exams. (06/2015 – 01/2017)

Fortunate to work as a Technical Trainer or giving technical seminars in universities like Galgotias, ITS College. (07/2017 – 02/2018)

as per clients need.

EDUCATION

Bachelors in Computer Application
Aligarh College of Engg. and Tech
